### 2. PAYMENTS

2.1 The Bank hereby irrevocably covenants with Lessor:

(i) that it has assumed, is liable for and shall satisfy, discharge and pay in full the Designated Sums in the manner and on the terms and conditions as set forth in the Lease Agreement, subject to the terms and conditions of this Agreement; and

(ii) that it, upon receipt of a certified copy of the Call Option Notice (as defined in the Call Option Agreement) (or other evidence thereof reasonably satisfactory to the Bank that the Call Option has been exercised), shall assume, be liable for and satisfy, discharge and pay the Designated Option Payment in the manner and on the terms and conditions as set forth in the Call Option Agreement, subject to the terms and conditions of this Agreement; and

(iii) that it, if the Extended Term shall have become applicable pursuant to Section 2.5 of the Lease Agreement, shall assume, be liable for and satisfy, discharge and pay the Designated Sales Agent Payment in the manner and on the terms and conditions as set forth in the Sales Agency Agreement, subject to the terms and conditions of this Agreement.

2.2 (a) The obligations of the Bank to make each payment of Basic Rent shall become due on the date such payment becomes due under the Lease.

(b) The obligation of the Bank to make each of the following payments shall become due on the date indicated below for such payment if the Bank has received notice on or before each such date specifying that such payment is due or, if the Bank has not received such notice, on the date thereafter on which the Bank receives such notice (provided that the Bank may rely on any such notice without making any independent investigation and provided further that the Bank shall not be liable for not making any such payment on the expected payment date if it has not timely received any such notice):

(i) the obligation of the Bank to make payment of the Debt Portion (or a part thereof) shall become due upon receipt by the Bank of written notice from Lessor that, under the Lease Agreement, the Termination Sum (or a part thereof) in the amount set out in such notice has become due;

(ii) the obligation of the Bank to pay the Designated Option Payment shall become due on the Call Option Date (as defined in the Call Option Agreement);

(iii) the obligation of the Bank to pay the Designated Sales Agent Payment shall become due at the time such payment becomes due under the Sales Agency Agreement.

2.3 In the event that the Lessor makes a statement in writing to the Bank that the Termination Sum with respect to some but less than all the Items of Equipment has become due under the Lease Agreement, the Bank shall pay to Lessor the Debt Portion with respect to such Items of Equipment, and any Designated Payment which may become due after said statement shall be adjusted accordingly.

2.4 On the day on which the Debt Portion with respect to an item of Equipment, the Designated Option Payment or the Designated Sales Agent Payment becomes due, all payment obligations of the Bank hereunder with respect to such item of Equipment, other than the obligation to pay such Debt Portion, Designated Option Payment or the Designated Sales Agent Payment so having become due, shall be terminated. From such day on the Bank shall be released from any obligation

hereunder with respect to such item of Equipment other than the obligation to make payment as set forth herein of such Debt Portion, the Designated Option Payment or the Designated Sales Agent Payment (as the case may be) having become due.

2.5 Any amount to be paid by the Bank as Debt Portion shall be calculated as provided in the Lease Agreement.

2.6 In the event that for any reason the Bank makes payment of any amount of Basic Rent that has not become due prior to the date the Debt Portion[, or the Designated Option Payment or the Designated Sales Agent Payment] attributable to the Equipment for which such Basic Rent is paid has become due, such amount of Basic Rent shall be deemed to have been applied to payment of such Debt Portion, such Designated Option Payment or such Designated Sales Agent Payment, and the Bank shall consequently be released from its obligations to make such payments for the amount so deemed paid.

2.7 The payment, discharge and satisfaction of the Designated Sums, the Designated Option Payment and the Designated Sales Agent Payment or any part thereof will be made by the Bank without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the United States or any political subdivision thereof or of Sweden or any political subdivision thereof or of The Netherlands or any political subdivision thereof or of any other state or any authority therein or thereof having power to tax, unless the withholding or deduction by the Bank of such taxes, duties, assessments or governmental charges is required by law, act or decree, provided, however, that the foregoing shall not be construed to release Lessee from any liability under Article 21 of the Lease Agreement.

2.8 The Bank agrees with Lessor that the obligations and liabilities assumed by the Bank pursuant to this Clause 2 constitute direct and irrevocable obligations of the Bank and shall remain in full force and effect and not be affected in any way by the bankruptcy or insolvency of or any matter affecting Lessee, the Call Optionholder or the Sales Agent.

2.9 The Bank assumes only those payment obligations of Lessee under the Lease Agreement, the Call Optionholder under the Call Option Agreement and the Sales Agent under the Sales Agency Agreement which are specifically provided for in this Clause 2 hereof and shall in particular have no responsibility to Lessor or any other person or entity of whatever nature for any other obligation or liability of Lessee under the Lease Agreement, the Call Optionholder under the Call Option Agreement or the Sales Agent under the Sales Agency Agreement. If Lessor shall transfer or assign any of its rights or obligations under this Agreement in controvention of the provisions of Section 7.6 hereof, the Bank shall have no obligation to such assignee or transferee to make payments as provided in this Agreement.

2.10 Payment by the Bank may be made at the Bank's option in whole or in part in one of the following ways, each such payment fully releasing the Bank (and if applicable the party on behalf of which the Bank is making payment) from its obligations for the amount so paid:

(a) by paying cash equal to the Designated Payment; and/or

(b) by set-off of the Designated Payments and interest thereon (whether or not the same are due by the Bank or to be made by the Bank on behalf of another party) against any and all claims then due and owing which the Bank might have (at present or in the future) against Lessor under any Operative Document and/or any successor or any assignee to the Lessor under any Operative Document; and/or

(c) by transfer or assignment or by seeing to it that transfer or assignment takes place to the Lessor of any right (at present or in the future ) which the Lender and/or any successor or assignee of the Lender under the Loan Agreement may have against the Borrower (as defined in the Loan Agreement) and/or any successor or assignee to the Borrower under the Loan Agreement for amounts then due and owing, the amount paid by such assignment or transfer being equal to the full amount of the right or rights thus assigned or transferred; and/or

(d) by releasing Lessor and/or any successor or assignee of Lessor under any Operative Document, or by seeing to it that Lessor and/or any successor or

assignee of the Lessor under any Operative Document is released, from an obligation or obligations then due and owing which Lessor and/or any successor or assignee of Lessor may have under any Operative Document (at present or in the future) towards the Bank or to any other party, the amount paid by such release being equal to the full amount of the obligation or obligations from which Lessor and/or any successor or assignee of Lessor under any Operative Document is so released.

2.11 Notwithstanding anything herein to the contrary, if the Lessee assumes Borrower's obligations in respect of the Loan pursuant to Article 15 of the Lease Agreement or Section 3.1 of the Call Option Agreement, the Bank shall, immediately upon such assumption and without further act of any party, be completely and irrevocably released from any further obligation to make any Designated Payments under this Agreement.

2.12 Lessor agrees that it will accept any payment of a Designated Payment from the Bank and that any such payment shall discharge Lessee in full from the related obligation.

### 3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Each party to this Agreement hereby represents, warrants to and covenants with the other party hereto as follows:

#### 4. EARLY TERMINATION

If the Loan is terminated pursuant to any provision of the Loan Agreement, then upon the effectiveness of such termination, this Agreement shall terminate and the Bank shall at such time pay to Lessor an amount equal to the Debt Portion for all the Equipment then subject to the Lease Agreement as a prepayment to Lessor of the Designated Payments and the Bank thereupon will be discharged in full.

#### 5. CONFIDENTIALITY

The terms and conditions of this Agreement are confidential to the parties and shall neither in whole or in part be disclosed to any person nor published without the prior written consent of Lessor and the Bank, provided that this Clause shall not prevent disclosure as required by law or ministerial or judicial or parliamentary authority or to the legal or audit or taxation advisers or bankers of any party hereto.

Except as otherwise expressly provided herein, this Lease shall not terminate, nor shall the obligations of Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Items of Equipment from whatsoever cause, any Liens or rights of others with respect to any of the Items of Equipment, the prohibition of or other restriction against Lessee's use of all or any of the Items of Equipment, the interference with such use by any Person (including confiscation, requisition or other taking by any governmental authority, any Person acting under governmental authority or otherwise, or action of any public or private Person, whether by eviction by paramount title or for any other reason whatsoever), the invalidity or unenforceability or lack of due authorization of this Lease or any other Operative Document or any other agreement to which Lessee or Lessor is a party, any action or inaction by Lessor, any defect in the title to, compliance with plans or specifications for, condition, design or fitness for use of all or any of the Items of Equipment, any insolvency of or any bankruptcy, reorganization or other proceeding against Lessee, Lessor or any other Person, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention

and agreement of the parties hereto, and the basis of the bargain, that (to the extent permitted by applicable law) Basic Rent, Termination Sum, other Supplemental Rent and other amounts payable by Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless and until the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease (in the case of any return of the Items of Equipment to the Lessor, any Item of Equipment shall not be deemed to have been returned to the Lessor's possession until all of the Lessee's obligations with respect to the return, transportation and arranging for storage thereof have been performed). To the fullest extent permitted by applicable law, Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender this Lease or any of the Items of Equipment except in accordance with the express terms hereof.

5.2.2. Nothing in this Section 5.2 or in any other provision of this Lease shall preclude any separate, independent claim (not by way of abatement or reduction of any amount at any time payable by Lessee hereunder) by Lessee for the breach of any representation, covenant, undertaking or agreement made herein and in any other Operative Document for the benefit of Lessee by Lessor.

## **ARTICLE 6.**

### **COMPLIANCE WITH LAWS; MAINTENANCE AND OPERATION**

**SECTION 6.1. Compliance.** Lessee agrees, for the benefit of Lessor, to comply with the maintenance and operation standards under the Interchange Rules of the AAR and all laws, rules, regulations, requirements and orders of all governmental authorities having jurisdiction with respect to the use, maintenance, condition and operation of each Item of Equipment (regardless of upon which Person such laws, rules, regulations, requirements or orders shall, by their terms, be nominally imposed), unless Lessee shall be contesting the validity thereof in good faith and by appropriate proceedings, but only so long as such proceedings (i) shall not involve any danger of the sale, forfeiture or loss of any Item of Equipment, or any part thereof or interest therein, (ii) shall not result in, or involve any material probability of resulting in, the creation of any Lien on or with respect to any Item of Equipment, or any part thereof or interest therein, which is not a Permissible Lien, (iii) shall not adversely affect the title, lease or insurance coverage or materially adversely affect the operation, maintenance, use, value, utility or warranty coverage of any of the Items of Equipment or (iv) shall not involve a material possibility of

resulting in any civil liability or a possibility of resulting in any criminal liability on the part of Lessor. Lessee will maintain all records, logs and other materials required by any governmental authority having jurisdiction to be maintained in respect of any Item of Equipment, regardless of upon which Person any such requirements shall, by their terms, be nominally imposed. Lessee, at its own expense, will procure and pay for all permits, franchises, inspections and licenses necessary or appropriate in connection with any Item of Equipment and any repair, restoration, replacement, renewal, addition or improvement thereof and thereto.

**SECTION 6.2. Use and Maintenance.** Lessee, at its own expense, will maintain, service, test and repair each Item of Equipment and from time to time make or cause to be made all necessary restorations thereto as are consistent with the prudent practice of the chemical transportation industry, but in any event to the same extent that Lessee would, in the prudent management of its properties, maintain, service and repair comparable equipment if owned or leased by Lessee, to the extent necessary that each Item of Equipment will remain (a) in good operating condition and in the same condition as when delivered, ordinary wear and tear excepted, (b) in compliance with all applicable laws and regulations regarding maintenance and operation, (c) in accordance with any Manufacturer's warranties, (d) in accordance with any insurance policies and (e) in compliance with Section 6.1 hereof. In no event shall any Item of Equipment be maintained or serviced to a lesser standard of maintenance than that employed by Lessee for similar equipment owned or leased by it. Any replacements made by Lessee to or upon any Item of Equipment shall be considered accessions to such Item of Equipment and title thereto shall be immediately vested in Lessor, without cost or expense to Lessor, but the replaced parts shall no longer be the property of Lessor, provided the replacements have a value, utility and remaining useful life at least equal to the replaced parts.

**SECTION 6.3. Reports.** In addition to its reporting obligations under Article 10, Lessee agrees to prepare and deliver to Lessor within a reasonable time prior to the required date of filing any and all reports (other than income tax returns) to be filed by Lessor with any United States federal, state, local or other regulatory authority by reason of the interests of Lessor in the Items of Equipment created pursuant to the Operative Documents, or the leasing thereof to Lessee.

## ARTICLE 7.

### REPLACEMENT, ALTERATIONS AND MODIFICATIONS

**SECTION 7.1. Replacement Parts.** Without in any way limiting Lessee's obligations pursuant to Article 6, Lessee, at no cost and expense to Lessor, shall promptly replace all parts of any Items of Equipment necessary for its use by Lessee which are lost, stolen, destroyed, seized, confiscated, worn out, damaged beyond repair or permanently rendered unfit for use for any reason whatsoever. In addition, Lessee may, at no cost and expense to Lessor, replace in the ordinary course of maintenance, service, repair, overhaul or testing, any parts of an Item of Equipment, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use (all replacement parts being hereinafter referred to as "Replacement Parts"); provided, that Lessee shall at no cost and expense to Lessor replace such replaced parts which Lessee is not otherwise permitted to remove under the terms of this Lease. All Replacement Parts shall be free and clear of all Liens (other than Permissible Liens). Lessor shall retain title to all replaced parts until such time as such replaced parts shall be replaced by Replacement Parts, at which time (i) title to the replaced part shall thereupon automatically vest in Lessee free and clear of all rights of Lessor, and shall no longer be subject to this Lease; (ii) title to such Replacement Part shall thereupon vest in Lessor; and (iii) such Replacement Part shall become subject to this Lease and be deemed part of the Equipment for all purposes hereof.

**SECTION 7.2. Modifications.** Subject to Article 6 and Sections 7.1 and 7.4, Lessee, at no expense to Lessor, may from time to time make such alterations and modifications to an Item of Equipment as Lessee may deem desirable in the proper conduct of its business, including, without limitation, removal of parts which Lessee deems obsolete or no longer suitable or appropriate for use in an Item of Equipment.

**SECTION 7.3. Improvements.** Subject to Section 7.1, Lessee may, without the prior written consent of Lessor, but solely at Lessee's expense, make improvements to an Item of Equipment, provided that such Item of Equipment as so improved shall comply with Sections 6.1 and 6.3 above and Section 7.4 below.

### **SECTION 7.4. Upgrading of Equipment.**

7.4.1. Any alteration, modification, improvement or upgrading of equipment on an Item of Equipment made by and paid for by Lessee at Lessee's own choice pursuant to Sections

7.2 or 7.3 above shall remain the property of Lessee provided that at redelivery to Lessor such Item of Equipment complies with the provisions of Article 11 in that original equipment or equivalent equipment is properly installed by Lessee prior to redelivery. Lessee shall not permit any alteration, modification, improvement or upgrading permitted by this Article 7 to affect, individually or collectively, the identity of any Item of Equipment or Lessor's title thereto.

7.4.2. Any and all Replacement Parts installed on and additions made to any Items of Equipment (a) which are replacements of existing parts constituting part of the Items of Equipment owned by Lessor, (b) which are not readily removable without causing material damage to such Item of Equipment, (c) the cost of which is included in Lessor's Cost (Dollars) of such Item of Equipment, (d) in the course of ordinary and proper maintenance of the Items of Equipment or (e) which are required by law or the regulations of the ICC, the United States Department of Transportation, any agency thereof, or any other applicable regulatory body, for the operation or use of such Item of Equipment, shall constitute accessions to such Item of Equipment and shall immediately, and without further act or instrument, be deemed subject to this Lease, and Lessee shall comply with all provisions of this Lease, including, without limitation, Article 24, applicable to such accessions.

**SECTION 7.5. Identification Marks.** Lessee will cause each Item of Equipment to be kept numbered with the identification number set forth in Schedule I hereto and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Item of Equipment, in letters not less than one inch in height, the words "OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT", with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Lessor's title to and property in such Item of Equipment and the rights of the Lessor under this Lease. Lessee will not place any Item of Equipment in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof. Lessee will replace promptly any such words which may be removed, defaced, obliterated or destroyed. Lessee will not change the identification number of any Item of Equipment unless and until (a) a statement of a new number or numbers to be substituted therefor shall have been delivered to Lessor and filed, recorded and deposited by Lessee in all appropriate public offices, including the public offices where this Lease shall have been filed, recorded and deposited and (b) Lessee shall have furnished Lessor an opinion of counsel in form and substance reasonably satisfactory to Lessor to the effect that such statement has been so filed, recorded and deposited, that such filing, recordation and deposit will

protect Lessor's interests in such Items of Equipment and that no other filing, recording, deposit or giving of notice with or to any other federal, state, or local government or agency of the United States is necessary to protect the interests of Lessor in such Items of Equipment. Lessee shall not allow the name of any other Person to be placed on any Item of Equipment as a designation that might be identified as a claim of ownership or any other interest therein; **provided**, that nothing herein contained shall prohibit Lessee or its permitted sublessees from placing its customary colors and insignia on any Item of Equipment or from naming each Item of Equipment.

## **ARTICLE 8.**

### **INSURANCE**

**SECTION 8.1. Policies.** Lessee will, at all times prior to the return of the Equipment to Lessor, at its own expense, carry and maintain or cause to be carried and maintained (i) property insurance (such as all risk or fire and allied perils, including in each case extended coverage for machinery breakdown and natural catastrophe) with respect to the Equipment, and (ii) public liability insurance with respect to third party personal injury and property damage, in each case with such deductibles, in such amounts, against such risks and with such insurance companies of established good reputation as is carried by corporations similar to Lessee of established good reputation engaged in the transportation of chemicals, but in any event with no greater deductibles and at least comparable in amounts and against risks insured against by Guarantor and its Affiliates with respect to equipment it, or its Affiliates, owns or leases that is similar in nature to the Equipment; **provided, however**, Lessee may in any event self-insure with respect to the Equipment and third party personal injury and property damage in a manner and to the extent such self-insurance is consistent with the self-insurance practices of such other corporations and with the self-insurance practices of Guarantor or its Affiliates with respect to equipment owned or leased by Guarantor or its Affiliates that is similar in nature to the Equipment. Notwithstanding the foregoing, at any time that Guarantor's senior debt is rated below Baa3 by Moody's Investor Service, and/or BBB- by Standard & Poors, or the equivalent if not rated by Moody's or Standard & Poor's, Lessee's right to self-insure with respect to self-insurance or deductibles with respect to public liability shall be limited to an amount equal to one percent (1%) of Guarantor's tangible net worth, calculated as of the most recent quarterly financial reports. The proceeds of insurance carried pursuant to this Section 8.1 shall be payable to Lessee and Lessor as their interests may appear and as provided in Section 8.3

hereof. Any insurance carried in accordance with this Article 8 shall, to the extent commercially available, (i) require thirty (30) days' prior written notice to Lessor of cancellation or material change in coverage, (ii) name Lessor as a loss payee and as an additional insured, (iii) provide that, in respect of the interest of Lessor in such policies, the insurance shall not be invalidated by any action or inaction of Lessee or any other person (other than Lessor), (iv) insure Lessor regardless of any breach or violation of any warranty, declaration or condition contained in such policies (or in the application therefor or in any other document submitted to the insurer in connection therewith) by Lessee or by any other person (other than Lessor), (v) provide that such insurance is primary without right of contribution from any other insurance which might otherwise be available to the insured party, (vi) provide that in the event of any loss payment under a policy the insurer shall waive any rights of subrogation against the insured party and shall waive any setoff or counterclaim or any other deduction whether by attachment or otherwise and (vii) include a cross-liability endorsement providing that inasmuch as the policies are written to cover more than one insured, all terms and conditions, insuring agreements and endorsements, with the exception of limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. On or prior to the Delivery Date, and thereafter not less than thirty (30) days after the expiration dates of the policies required pursuant to this Article 8, Lessee shall deliver to Lessor certificates of insurance issued by the insurers thereunder or by an insurance broker authorized to bind such insurers evidencing the insurance maintained pursuant to this Article 8; **provided, however,** that if the delivery of any certificate is delayed, Lessee shall use all reasonable efforts to deliver an executed binder with respect thereto and shall deliver the formal certificate upon receipt thereof. From time to time upon the request of the Lessor, Lessee shall provide certificates of insurance evidencing that the insurance required by this Article 8 is in effect.

**SECTION 8.2. Performance by Lessor.** In the event that Lessee shall fail to maintain insurance as herein provided, Lessor may at its option, but without obligation, provide such insurance and, in such event, Lessee shall, upon demand from time to time, reimburse Lessor for the cost thereof, together with interest on such cost at the Overdue Rate computed from the date of payment of such cost to the date of reimbursement. Lessor shall give Lessee prompt written notice of any such insurance.

**SECTION 8.3. Proceeds of Insurance.** Lessee shall be entitled to receive and retain for its own account all proceeds of property insurance (except under policies

described in Section 8.4). The proceeds of any liability insurance shall be paid to Lessee and Lessor as their interests may appear. All proceeds of insurance the premiums for which were paid by Lessor shall be paid over to, or retained by, Lessor for its own account.

**SECTION 8.4. Separate Insurance.** Nothing in this Article 8 shall be construed to prohibit Lessor from insuring at its own expense any Item of Equipment or its interest therein, and any insurance so maintained shall not provide for or result in a reduction of the coverage or the amounts payable under any of the insurance required to be maintained by Lessee under this Article 8.

## **ARTICLE 9.**

### **LIENS**

**SECTION 9.1. Permissible Liens.** Lessee will not during the Term with respect to any Item of Equipment create, incur, assume or suffer to exist any Liens thereon or any part thereof, Lessor's title thereto or any interest of Lessee or Lessor therein (and Lessee will promptly, at its own expense, take such action as may be necessary duly to discharge any such Lien) with the exception of the following Liens (herein referred to as "Permissible Liens"):

9.1.1. the respective rights of Lessor and Lessee as herein provided;

9.1.2. the rights created by any of the Operative Documents (including, without limitation, the respective Liens created by the Pledge Agreement and the Security Agreement);

9.1.3. Liens for Taxes either not yet due and payable or being contested by Lessee in good faith with due diligence and by appropriate proceedings (provided that pendency of such proceedings shall not involve any risk of loss of title to any Item of Equipment by Lessor);

9.1.4. undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's, employees' or other like Liens arising in the ordinary course of business of Lessee and not delinquent;

9.1.5. Lessor's Liens; and

9.1.6. the respective rights of the parties in or under any transaction permitted under Section 13.3.

**SECTION 9.2. Notice.** Lessee will promptly notify Lessor in writing of any Lien of which Lessee has knowledge,

other than a Permissible Lien, which arises at any time and will, at Lessee's expense, cause any of the same not constituting a Permissible Lien to be bonded (in an amount and by persons reasonably satisfactory to Lessor) or duly discharged, dismissed or removed as soon as possible.

**SECTION 9.3. Indemnity.** If Lessee shall fail to discharge, dismiss or remove any Lien (other than a Permissible Lien), Lessor shall be entitled to discharge the same, in which event Lessee shall indemnify Lessor, on an After-Tax Basis, on demand, for the amount paid by Lessor and all of its losses and expenses, including legal fees and expenses incurred in connection therewith.

## **ARTICLE 10.**

### **LOSS; TERMINATION; PURCHASE**

#### **SECTION 10.1. Loss.**

10.1.1. Lessee hereby assumes all risks of loss, destruction and damage to any Item of Equipment, however caused. Upon request by Lessor, Lessee will furnish to Lessor an accurate statement certified by a Responsible Officer of Lessee as of the preceding December 31 setting forth a list of Items of Equipment with respect to which loss or damage estimated to be in excess of \$50,000 per Item of Equipment (other than running repairs) shall have been incurred during the 12 months ended on such December 31 (or since the date of this Lease in the case of the first such statement) and such other information regarding the condition of repair of the Equipment as the Lessor may reasonably request. Lessee agrees that if with respect to any Item of Equipment any casualty or partial destruction not constituting an Event of Loss occurs, Lessee shall, at no cost and expense to Lessor, repair such Item of Equipment to at least the same state and condition as required pursuant to Articles 6, 7 and 11 of this Lease. If an Event of Loss occurs with respect to an Item of Equipment, then on the date (the "Termination Date") occurring thirty (30) days after such Event of Loss, Lessee shall pay, or cause to be paid, to Lessor the Termination Sum in effect as of the Termination Date.

10.1.2. On the Termination Date specified in Section 10.1.1, upon receipt in full of the applicable Termination Sum and all other amounts then due and owing to Lessor hereunder, all of Lessor's right, title and interest in and to the relevant Item of Equipment shall automatically and without further act vest in Lessee or its permitted assigns and the Equipment shall be released to Lessee in accordance with the Transfer Protocol.

10.1.3. If any Requisition shall occur, or if any requisition or similar act which does not constitute a Requisition under this Lease shall occur, Lessor and Lessee shall proceed diligently and cooperate fully with each other (at Lessee's expense) in the recovery of any and all proceeds or compensation applicable thereto. Any and all net amounts realized therefrom shall be for the benefit of Lessee. All such net amounts received by Lessor shall forthwith be paid to Lessee.

10.1.4. Lessee shall bear the risk of loss and, except as provided in this Section 10.1, shall not be released from its obligations hereunder in the event of any damage to any Item of Equipment or part thereof. Upon receipt in full of the applicable Termination Sum and all other amounts then due and owing to Lessor hereunder or under any other Operative Document, the obligation to pay Basic Rent in respect of the affected Item of Equipment accruing after the Payment Date on or immediately prior to the Termination Date shall be deemed extinguished and the leasing under this Lease of the Item of Equipment having suffered an Event of Loss shall terminate.

#### **SECTION 10.2. Termination by Lessor.**

10.2.1. If any of the following shall occur:

- (a) an Illegality (U.S.) Event of Termination;
- (b) an Illegality (Third Country) Event of Termination;
- (c) (1) Lessor shall be required to pay any amount under the Loan Agreement other than the stated principal of or interest on the Loan or (2) an acceleration or other required prepayment of the Loan;
- (d) an Illegality (Lessor's Country) Event of Termination;
- (e) increased capital or deposit requirements are imposed upon Lessor by any Swedish governmental authority which in the good faith opinion of Lessor (as set forth in an Officer's Certificate of Lessor) have a material adverse effect on Lessor; or
- (f) any of the bankruptcy or insolvency events with respect to Lessor listed in Section 10.3.1(b) through (f);

then Lessor (or in the case of Section 10.2.1(c)(2), the Lender pursuant to Clause 3.8(j) of the Loan Agreement) may,

by written notice to Lessee, terminate this Lease on a Termination Date specified in such notice (which date shall not be less than 21 days from the date such notice is given); **provided, however,** that in the case of a notice relating to Section 10.2.1(c)(2), the Termination Date shall be the date on which the Loan shall be due and payable pursuant to the Loan Agreement.

10.2.2. Upon any termination pursuant to Section 10.2.1, the Lessee shall, on the Termination Date, pay or cause to be paid to the Lessor the Termination Sum in effect as of the Termination Date with respect to all Items of Equipment and all other amounts due hereunder or any other Operative Document.

10.2.3. Upon receipt of all amounts payable pursuant to Section 10.2.2, all of Lessor's right, title and interest in and to the Equipment shall automatically and without further act vest in Lessee or its permitted assigns and the Equipment shall be released to Lessee in accordance with the Transfer Protocol, and the obligation of Lessee to pay Basic Rent shall, after the Payment Date on or immediately prior to the date of payment, be deemed extinguished and the leasing under this Lease of the Equipment shall terminate.

10.2.4. Notwithstanding the foregoing, if Lessor shall be entitled to terminate this Lease as the result of an event referred to in clause (c)(1) of Section 10.2.1, (A) Lessor may instead, at its option, provide to the Lender an indemnity agreement or (B) Lessee may provide an indemnity agreement, in each case meeting the requirements of the Loan Agreement, and if such an indemnity agreement is so provided to and is accepted by the Lender, this Lease shall continue in effect.

### **SECTION 10.3. Termination by Lessee.**

10.3.1. If any of the following shall occur:

- (a) an Illegality (U.S.) Event of Termination;
- (b) Lessor shall consent to the appointment of a custodian, receiver, trustee or liquidator (or other similar official) of itself, any Item of Equipment or of a substantial part of its property, or shall admit in writing its inability to pay its debts generally as they come due, or a court of competent jurisdiction shall determine that Lessor is generally not paying its debts as they come due, or Lessor shall make a general assignment for the benefit of creditors;

- (c) Lessor shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any bankruptcy laws (as now or hereafter in effect) or an answer admitting the material allegation of a petition filed against Lessor in any such proceeding, or Lessor shall, by voluntary petition, answer or consent, seek relief under the provisions of any now existing or future bankruptcy or other similar law providing for the reorganization or winding-up of debtors, or providing for an agreement, composition, extension or adjustment with its creditors;
- (d) an order, judgment or decree shall be entered in any proceeding by any court of competent jurisdiction appointing, without the consent (express or legally implied) of Lessor, a custodian, receiver, trustee or liquidator (or other similar official) of Lessor, any Item of Equipment or any substantial part of Lessor's property, or sequestering any Item of Equipment or any substantial part of the property of Lessor, and any such order, judgment or decree or appointment or sequestration shall remain in force undismissed, unstayed or unvacated for a period of 60 days after the date of entry thereof;
- (e) a petition against Lessor in a proceeding under applicable bankruptcy laws or other insolvency laws, as now or hereafter in effect, shall be filed and shall not be stayed, withdrawn or dismissed within 60 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of debtors which may apply to Lessor, any court of competent jurisdiction shall assume jurisdiction, custody or control of Lessor, any Item of Equipment or any substantial part of Lessors' property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 60 days;
- (f) any additional procedure similar to those referred to in subsections (b) through (e) above, for the relief of financially distressed debtors under applicable laws is entered into by Lessor voluntarily or involuntarily and, if such procedure shall have been entered into involuntarily, shall be unstayed and remain in effect for a period of 60 consecutive days;

- (g) Lessor shall fail to perform or observe its covenants set forth in Section 13.1 or 18.1.5, such failure shall continue unremedied for a period of 30 days (or such longer period as may be required for Lessor with reasonable diligence to comply with such covenant) after written notice to Lessor by Lessee and such failure shall materially and adversely affect the Lessee;
- (h) any event shall have occurred that causes or, in the opinion of independent counsel selected by Lessee and reasonably acceptable to Lessor if such counsel's opinion is requested by Lessor, otherwise, in the opinion of Lessee, would cause any amount of indemnity to become payable pursuant to Section 21.1.1 or any other indemnity to become payable by Lessee with respect to withholding taxes on any payments in respect of any amount due under this Lease;
- (i) an Illegality (Lessor's Country) Event of Termination, if such event shall have materially adversely affected Lessee's rights under this Lease or any other Operative Document (as defined herein or in the Loan Agreement) to which Lessor is a party and Lessor shall not have elected to terminate this Lease pursuant to Section 10.2.1; or
- (j) an event described in Section 2.3 of the Security Agreement;

then Lessee may, by written notice to Lessor, terminate this Lease on a Termination Date specified in such notice (which date shall not be less than 21 days from the date such notice is given); **provided** that this Lease shall be deemed to be terminated, and the Termination Date shall be deemed to occur, automatically and without necessity for action by Lessee upon the occurrence of an event described in clause (b), (c), (d), (e) or (f) of this Section 10.3.1.

10.3.2. Upon any termination pursuant to Section 10.3.1, the Lessee shall, on the Termination Date, pay or cause to be paid to the Lessor the Termination Sum in effect as of the Termination Date with respect to all Items of Equipment and all other amounts due hereunder or any other Operative Document (including any amounts due or accrued under Section 21.1).

10.3.3. Upon receipt of all amounts payable pursuant to Section 10.3.2, all of Lessor's right, title and

interest in and to the Equipment shall automatically and without further act vest in Lessee or its permitted assigns and the Equipment shall be released to Lessee in accordance with the Transfer Protocol, and the obligation of Lessee to pay Basic Rent shall, after the Payment Date on or immediately prior to the date of payment, be deemed extinguished and the leasing under this Lease of the Equipment shall terminate.

#### **SECTION 10.4. Voluntary Termination.**

10.4.1. Lessee shall have the right to terminate this Lease with respect to all but not less than all of the Items of Equipment on any Payment Date, other than the Basic Lease Termination Date and the Extended Lease Termination Date, following the fifth anniversary of the Lease Commencement Date. Such option shall be exercised by written notice from Lessee to Lessor of Lessee's election to so terminate this Lease on a specified Termination Date, which date shall be such a Payment Date not less than 30 days after the date of such notice.

10.4.2. Upon any termination pursuant to Section 10.4.1, the Lessee shall, on the Termination Date, pay or cause to be paid to the Lessor the Termination Sum in effect as of the Termination Date with respect to all Items of Equipment and all other amounts due hereunder or any other Operative Document.

10.4.3. Upon receipt of all amounts payable pursuant to Section 10.4.2, all of Lessor's right, title and interest in and to the Equipment shall automatically and without further act vest in Lessee or its permitted assigns and the Equipment shall be released to Lessee in accordance with the Transfer Protocol, and the leasing under this Lease of the Equipment shall terminate.

#### **SECTION 10.5. Special Termination.**

10.5.1. If the Loan shall have been accelerated pursuant to Clause 5(i) of the Loan Agreement and Lessor shall have received written notice thereof from Lender, this Lease shall be terminated on a Termination Date specified in such notice (which date shall not be less than five (5) Banking Days from the date such notice is received).

10.5.2. Without in any way reducing or affecting the Lessee's obligations under Section 10.5.3, on the Termination Date specified pursuant to Section 10.5.1, all of Lessor's right, title and interest in and to the Equipment shall automatically and without further act vest in Lessee or its permitted assigns and the Equipment shall be released to Lessee in accordance with the Transfer Protocol.

10.5.3. Upon any termination pursuant to Section 10.5.1, the Lessee shall, upon demand by Lessor made at any time after Lessor's receipt of the notice referred to in Section 10.5.1, pay or cause to be paid to Lessor the Termination Sum in effect as of the Termination Date with respect to all Items of Equipment and all other amounts due hereunder or any other Operative Document; upon such payment the obligation of Lessee to pay Basic Rent shall, after the Payment Date on or immediately prior to the date of such payment, be deemed extinguished. The obligations of Lessee under this Section 10.5.3 shall survive any termination pursuant to Section 10.5.1 and any conveyance pursuant to Section 10.5.2.

## ARTICLE 11.

### RETURN OF EQUIPMENT

#### SECTION 11.1. Return.

11.1.1. Unless Lessee shall have acquired an Item of Equipment in accordance herewith or as the parties may otherwise agree, upon the expiration or sooner termination of the Term with respect to an Item of Equipment, such Item of Equipment shall be free and clear of all Liens and rights of others (except Permissible Liens referred to in Sections 9.1.3 and 9.1.4 (which Lessor in its reasonable judgment may require to be adequately bonded) and Section 9.1.5) and shall be in the condition and repair required to be maintained during the term hereof under Articles 6 and 7. Lessee will, on or prior to such termination and at Lessee's expense and risk, (a) to the extent applicable, completely sever and disconnect each Item of Equipment from Lessee's property, all without any liability of Lessor to Lessee, or to anyone claiming by through or under Lessee, for damage or loss caused by such severance and/or disconnection; (b) to the extent applicable, prepare such Item of Equipment so as to be fit for loading and interchange service; (c) subject to Section 11.1.2 hereof, deliver possession of such Item of Equipment to Lessor at an industrial plant of Lessee or any Affiliate then engaged in the production of any of the products generally transported in such Item of Equipment or any other storage tracks within a twenty-five mile radius of any industrial plant of Lessee (to the extent capacity is available), where such Items of Equipment may be stored on railroad tracks connecting with tracks of a railroad which directly or indirectly interchanges freight with not less than one Class I railroad ("Redelivery Locations"), together with plans, specifications and other warranties and documents furnished by the Manufacturer of such Item of Equipment and other documents reasonably accessible to Lessee relating to the maintenance and operation of each such Item of Equipment; and (d) restencil the Items of

Equipment at the direction of Lessor while in storage. Charges for storage at the Redelivery Locations or at "Alternative Storage Sites" as defined below shall be at Lessee's cost and expense for the first ninety (90) days and thereafter at Lessor's cost and expense, and shall be computed at the then prevailing fair market rates for such storage. Removal of Items of Equipment from storage shall be at Lessor's expense.

11.1.2. Lessee shall notify Lessor of the Redelivery Locations (which locations shall be reasonably acceptable to Lessor) not later than 120 days prior to expiration of the Basic Term or the Extended Term, if any, but in no event shall Items of Equipment to which such termination applies be delivered to more than fifteen (15) such locations. Lessee shall further notify Lessor, not less than sixty (60) days prior to the actual redelivery, of the identification numbers and Redelivery Locations of all Items of Equipment and any Items of Equipment requiring a storage facility other than at Lessee's or an Affiliate's plant ("Alternate Storage Sites"). Lessor shall provide Lessee with written notice of Alternative Storage Sites (which may be any place in the continental United States accessible by rail and reasonably acceptable to Lessee) within sixty (60) days of receipt of Lessee's notice. The storage period shall begin, and, subject to the provisions of Section 11.1.4, Lessee's obligation for rent hereunder shall terminate, upon written notice of redelivery of 15% of all Items of Equipment (a "Block") to any Redelivery Location or Alternate Storage Site; **provided, however,** the final Block may consist of less than 15% of all Items of Equipment; **provided, further** that at Lessor's option, Lessor may accept any additional Items of Equipment that may be delivered to a Redelivery Location or Alternative Storage Site which were not included in Lessee's notice, and if so accepted, such Items of Equipment shall be treated as if they had been included in Lessee's notice; **provided, further,** that any such notice shall not become effective earlier than ninety (90) days prior to the Basic Lease Termination Date or the Extended Lease Termination Date, if any, with respect to such Block. Upon redelivery of a Block and acceptance thereof by Lessor, Lessor shall have the right to sell such returned Items of Equipment to a third party.

11.1.3. Lessor or its representative may but shall not be required to inspect each Block within a reasonable period following notification of redelivery of such Block, and shall forthwith thereafter notify Lessee of its acceptance or exceptions to acceptance of such Items of Equipment. Lessor's acceptance of such returned Items of Equipment shall be evidenced by a written certificate of acceptance specifying the number of the Items of Equipment accepted by Lessor. Upon written request of Lessor, Lessee shall have a representative available to assist in such inspections. Lessee will

thereafter make necessary repairs, notifying Lessor upon completion, whereupon Lessor will reinspect such Items of Equipment within a reasonable period following such notice. The process will be repeated until all Items of Equipment which Lessor has inspected have been accepted. Lessee shall have no further obligation with respect to any Item of Equipment which Lessor shall have accepted.

11.1.4. Supplemental Rent in an amount equal to the daily equivalent of the Basic Rent will be assessed for Items of Equipment not redelivered as and when required by Section 11.1.1 hereof for each day such Items of Equipment are not so redelivered until the requirements of Section 11.1.1 hereof have been met with respect to such Item of Equipment. Supplemental Rent for such Item of Equipment not redelivered as and when required by Section 11.1.1 hereof shall continue through the date of redelivery of a Block as stated in Lessee's notice of redelivery pursuant to Section 11.1.2 hereof unless such Item of Equipment is not accepted by Lessor at redelivery in which event Supplemental Rent shall continue until such Item of Equipment is accepted by Lessor as evidenced by Lessor's certificate of acceptance. Such Supplemental Rent shall be paid by Lessee within fifteen (15) Banking Days of receipt of Lessor's certificate of acceptance.

11.1.5. In the event that fewer than 90 percent of all Items of Equipment are not redelivered as of ninety (90) days following the applicable expiration date, Supplemental Rent for all the Items of Equipment not then redelivered as and when required by Section 11.1.1 hereof will be increased to 125 percent of the daily equivalent of the Basic Rent. If any Item of Equipment is not returned within 180 days of the Basic Lease Termination Date or the Extended Lease Termination Date, if any, Lessee shall pay the greater of the then Fair Market Value of such Item of Equipment or the Termination Sum applicable on such Basic Lease Termination Date or Extended Lease Termination Date, if any.

**SECTION 11.2. Costs.** All costs (other than Taxes, the payment of which is covered exclusively by Article 21) in connection with the return of an Item of Equipment shall be paid by Lessee.

## **ARTICLE 12.**

12.1.4. Lessee or the Guarantor shall fail to perform or observe any covenant (other than covenants relating to matters covered by Sections 12.1.1, 12.1.2 and 12.1.3 above), condition or agreement to be performed or observed by it hereunder or under any other Operative Document to which it is a party, and such failure shall continue unremedied for a period of 30 days (or, in the case of any covenant under this Lease pertaining to the maintenance or modification of the Items of Equipment, if in any instance such covenant cannot with reasonable diligence on the part of Lessee be complied with during a period of 30 days by reason of an addition of or amendment to maintenance guidance or requirements from a Manufacturer, or any regulatory body, for such period not in excess of 60 days as may be required in order for Lessee, with reasonable diligence to comply with such covenant but in no event shall such period extend beyond the term of this Lease) after written notice thereof to Lessee or the Guarantor by Lessor;

12.1.5. 12.1.7. an order, judgment or decree shall be entered in any proceeding by any court of competent jurisdiction appointing, without the consent (express or legally implied) of Lessee or Guarantor, a custodian, receiver, trustee or liquidator (or other similar official) of Lessee or Guarantor, any Item of Equipment or any substantial part of its property, or sequestering any Item of Equipment or any substantial part of the property of Lessee or Guarantor, and any such order, judgment or decree or appointment or sequestration shall remain in force undismissed, unstayed or unvacated for a period of 60 days after the date of entry thereof;

12.1.8. a petition against Lessee or Guarantor in a proceeding under applicable bankruptcy laws or other insolvency laws, as now or hereafter in effect, shall be filed and shall not be stayed, withdrawn or dismissed within 60 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of debtors which may apply to Lessee or Guarantor, any court of competent jurisdiction shall assume jurisdiction, custody or control of Lessee or Guarantor, any Item of Equipment or any substantial part of Lessee's or Guarantor's property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 60 days;

12.1.9. any additional procedure similar to those referred to in Sections 12.1.5 through 12.1.8 above, for the relief of financially distressed debtors under applicable laws is entered into by Lessee or Guarantor voluntarily or involuntarily and, if such procedure shall have been entered into involuntarily, shall be unstayed and remain in effect for a period of 60 consecutive days;

12.1.12. the Guaranty shall cease to be in full force and effect, or valid and binding on and enforceable against the Guarantor.

#### **SECTION 12.2. Termination upon Event of Default.**

12.2.1. Lessee agrees that it will, promptly upon a Responsible Officer of Lessee becoming aware of any event or condition which constitutes a Default or Event of Default, furnish Lessor with a written notice specifying such event or condition, the nature and status thereof and the action taken or proposed to be taken by Lessee in respect thereof.

12.2.2. Upon the occurrence of an Event of Default, Lessor shall have the right to terminate the leasing under this Lease of the Equipment without having to resort to any legal procedure whatsoever and without prejudice to any other remedies available to Lessor by giving Lessee prior written notice of termination on a date specified in such notice (which date shall not be less than 21 days from the date such notice is given); **provided, however**, that this Lease shall be deemed to have been declared in default and the leasing hereunder of the Equipment shall be terminated pursuant to this Article 12 automatically and without necessity for action by Lessor upon the occurrence of any Event of Default specified in Sections 12.1.1 or 12.1.5 through 12.1.9.

12.2.3. Upon any termination pursuant to Section 12.2.2, Lessee shall pay, or cause to be paid, to Lessor as liquidated damages on the earlier to occur of (i) five (5) Banking Days after termination pursuant to the proviso to Section 12.2.2 or (ii) the date specified in any notice given pursuant to Section 12.2.2 (in either case, the "Default Termination Date") an amount in immediately available funds equal to the Termination Sum in effect for such Default Termination Date (determined on the basis that the Default Termination Date is a Termination Date) with respect to all Items of Equipment then subject to this Lease, together with all other amounts then due hereunder or under any other

Operative Document. Upon receipt of all amounts payable pursuant to the preceding sentence, all of Lessor's right, title and interest in and to such Items of Equipment shall automatically and without further act vest in Lessee or its permitted assigns and such Items of Equipment shall be released to Lessee in accordance with the Transfer Protocol and the obligation of Lessee to pay Basic Rent in respect of such Items of Equipment accruing after the Payment Date on or immediately prior to the Default Termination Date shall be deemed extinguished and the leasing under this Lease of the Items of Equipment shall terminate.

**SECTION 12.3. Lessor Right to Perform.** If Lessee fails duly and promptly to perform any of its obligations under this Lease or fails to comply with any of the covenants or agreements contained herein and continues to do so after receipt of written notice from Lessor, Lessor may itself perform such obligation or comply with such covenants or agreements, for the account of Lessee without thereby waiving any default, and any amount paid or expense (including, without limitation, attorneys' fees and expenses) reasonably incurred by Lessor in connection with such performance or compliance shall be indemnified on an After-Tax Basis by Lessee and payable on demand.

**SECTION 12.4. Remedies Cumulative.**

12.4.1. The remedies provided in this Article 12 in favor of Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity, provided that, except in the case of the gross negligence or willful misconduct of Lessee, Lessor agrees that receipt of the Termination Sum as provided herein shall be sufficient monetary compensation in respect of the events or circumstances with respect to which the Termination Sum is payable hereunder. Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is effective under applicable law. Except to the extent Section 4.5.2 may be applicable, Lessee hereby waives any and all existing or future claims to any offset against any payments of Basic Rent or Termination Sum due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by Lessee or on its behalf.

12.4.2. Except as otherwise provided in this Lease, Lessee, to the full extent effective under applicable law, hereby waives all statutory or other legal requirements for any notice of any kind, and any other requirements with

respect to the enforcement of Lessor's rights under this Lease.

**SECTION 12.5. No Waiver.** The failure of Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies, or upon the occurrence of any similar contingencies.

**SECTION 12.6. Costs and Expenses.** If an Event of Default has occurred and Lessor has exercised remedies with respect thereto, Lessee shall be liable for all costs and expenses incurred by Lessor and any assignee thereof by reason of such exercise of remedies.

## **ARTICLE 13.**

### **ASSIGNMENT**

**SECTION 13.1. Assignment by Lessor.** Lessor agrees that it shall, during the Term of this Lease, (i) remain a finance company ("finansbolag") under the laws of the Kingdom of Sweden, as currently in effect (a "Finance Company"), so long as being a Finance Company is required by Swedish law for Swedish companies engaged in leasing activities of the type represented by this Lease (the "Finance Company Requirement") or (ii) make a Disposition in accordance with this Section 13.1. Lessor may not sell, assign or transfer any or all of its right, title or interest or any of its obligations in, under and to this Lease and the Equipment (a "Disposition") without the prior written consent of Lessee, which consent shall not be unreasonably withheld, except that Lessor may, without such consent, sell, assign or transfer all of its right, title or interest in, under and to this Lease, the Equipment and the other Operative Documents (as defined herein and in the Loan Agreement) to which Lessor is a party to (i) a solvent company organized under the laws of the Kingdom of Sweden that is a Finance Company (if at the time of such Disposition the Finance Company Requirement is applicable) and that is a member of a consolidated group of companies having a net worth (equity plus untaxed reserves) of at least \$50,000,000, a member of which consolidated group is a company listed on the Stockholm stock exchange or (ii) a solvent Affiliate of Lessor (other than an entity incorporated in the United States or the Republic of South Africa) which, if organized under the laws of the Kingdom of Sweden, shall be a Finance Company (if at the time of such Disposition the Finance Company Requirement is applicable) **provided, however,** that any such transferee that is not an entity organized under the laws of the Kingdom of Sweden shall not be entitled to indemnity for withholding taxes pursuant to Section 21.1

hereof provided, further, that a Disposition pursuant to clause (i) or, to the extent applicable, clause (ii) of this sentence to a transferee that is not, and is not required (by reason of the inapplicability of the Finance Company Requirement at the time of such Disposition) to be, a Finance Company shall, unless such transferee has a net worth (equity plus untaxed reserves) of at least \$50,000,000, require the prior written consent of Lessee, which consent shall not unreasonably be withheld, it being agreed that any withholding of such consent may relate only to the financial inability of the transferee to perform its obligations under the Operative Documents. Upon any such Disposition, such transferee (A) shall specifically assume in writing all of the obligations of Lessor hereunder and under the other Operative Documents from and after the effective date of the Disposition to the extent of the interest disposed (and in such event Lessee hereby agrees that Lessor shall thereupon be relieved of its obligations hereunder from and after such effective date of the Disposition to the extent of the interest disposed except for defaults by Lessor and other matters occurring prior to the effective date of the Disposition), (B) shall give to Lessee such representations and warranties similar to those of Lessor contained in the Operative Documents to which Lessor and Lessee are parties as Lessee reasonably shall require, (C) shall, if the Finance Company Requirement is applicable to such transferee at the time of such Disposition, make the covenant made by Lessor in the first sentence of this Section 13.1, (D) if such transferee is an Affiliate of the Lessor that is not organized under the laws of the Kingdom of Sweden, shall (i) remain such an Affiliate during the Term of this Lease or (ii) make a Disposition in accordance with this Section 13.1 and (E) shall deliver to Lessee an executed power of attorney in the form of Exhibit I to the Security Agreement. Any Disposition shall be subject and subordinate to Lessee's rights under this Lease and the other Operative Documents and such Disposition shall not interfere with Lessee's right to quiet and peaceful possession of the Equipment pursuant to this Lease as provided in Section 23.10. The interest of Lessor under this Lease will be transferable only by the recording of the name of the transferee in a document maintained by the Lessee for that purpose. The Lessee agrees to maintain such a document for such purpose and to so record any Disposition permitted by this Section 13.1.

**SECTION 13.2. Assignment by Lessee.** Lessee shall not sell, assign or transfer any of its rights or obligations in, under and to this Lease or the Equipment except in compliance with the provisions of Section 13.3 or with the prior written consent of Lessor.

**SECTION 13.3. Assignment of Rights.** With prior written notice to Lessor, Lessee may assign to any Person all but not less than all of its rights (without any assumption

of duties) under this Lease, including without limitation the right to assign warranties under Section 3.2, provided that no such assignment shall release Lessee from any of its obligations hereunder or Guarantor from any of its obligations under the Guaranty. Upon request of Lessee, Lessor will acknowledge in writing its receipt of any such notice. Nothing in this Lease shall be construed to affect any agreements (with respect to further assignment or otherwise) made between Lessee and any assignee under such an assignment with respect to such assigned rights.

#### **ARTICLE 14.**

##### **INSPECTION**

At any time during the Term, Lessor, or any agent of Lessor, shall have the right, at its own risk and expense (except as set forth below), to inspect any Item of Equipment and inspect (and make copies of) Lessee's records with respect thereto at such reasonable times, and without undue interference with Lessee's operations, as Lessor or such agent may request during the Term (and in any event while the Items of Equipment are being collected for return to Lessor), but Lessor or such agent shall have no obligation to do so, and shall incur no liability for failure to do so. During the continuance of a Default or an Event of Default, any such inspection shall be at Lessee's expense.

#### **ARTICLE 15.**

##### **LESSEE'S OPTION TO ASSUME LOAN OBLIGATIONS**

If Lessee becomes obligated to pay a Termination Sum with respect to all Items of Equipment under any provision of this Lease, Lessee shall have the option to pay the Debt Portion by assuming, subject to the limitations on recourse set forth in Clause 4.2 of the Loan Agreement, all the obligations of Lessor in respect of the principal of and interest on the Loan by execution and delivery by Lessee of an assumption agreement substantially in the form of Exhibit D; **provided, however**, that no such assumption shall constitute payment of the Debt Portion of such Termination Sum unless and until Lessor shall have been fully released by Lender from all Lessor's obligations in respect of the principal of and interest on the Loan.

instrument of or applicable to or binding on Lessee or (3) contravene or result in any breach of or constitute any default under, or result in the creation of a Lien (other than Permissible Liens) upon any property of Lessee under, any indenture, mortgage, contract or other agreement or instrument to which Lessee is a party or by which Lessee or its properties are bound or affected where the effect thereof would be materially and adversely to affect the ability of Lessee to perform its obligations hereunder;

17.1.6. there are no pending or, to Lessee's knowledge, threatened actions or proceedings before any court or administrative agency in any jurisdiction which if decided against Lessee would adversely affect the ability of Lessee or the Guarantor to perform its obligations under the Operative Documents to which Lessee or the Guarantor is a party or which questions Lessee's or the Guarantor's legal capacity to execute, deliver and perform, or the binding effect or validity of, the Operative Documents to which Lessee or the Guarantor is a party;

17.1.7. each Item of Equipment will, on the Delivery Date, be covered by effective insurance policies as required by Article 8 and all premiums due on or prior to the Delivery Date in respect of such insurance policies shall have been paid in full;

## ARTICLE 18.

### COVENANTS, REPRESENTATIONS AND WARRANTIES OF LESSOR

**SECTION 18.1. Covenants, Representations and Warranties.** Lessor agrees and represents and warrants to Lessee that:

18.1.1. Lessor is a corporation duly organized and validly existing under the laws of the Kingdom of Sweden;

18.1.2. Lessor has the full corporate power, authority and legal right to execute, deliver, perform and comply with all the terms of this Lease and the other Operative Documents to which Lessor is a party;

18.1.3. the execution, delivery and performance by Lessor of this Lease and the other Operative Documents to which Lessor is a party have been duly authorized by all necessary governmental and corporate action on the part of Lessor and such documentation has been duly and validly

executed and delivered by Lessor, and neither the execution, delivery and performance thereof, nor the consummation of the transactions contemplated thereby, nor compliance by Lessor with any of the terms and provisions thereof (1) require any shareholder approval of Lessor, or approval or consent of any trustee or governmental body or existing holders of any indebtedness, or obligations of Lessor which if not obtained would invalidate any purported execution, performance, consummation or compliance as aforesaid, (2) violate or contravene the provisions of, or constitute a default under or breach under, any existing law, ordinance, decrees, judgment, government rule, regulation or order or any instrument of or applicable to or binding on Lessor or (3) contravene or result in any breach of or constitute any default under, or result in the creation of a Lien (other than Permissible Liens) upon any property of Lessor under, any indenture, mortgage, contract or other agreement or instrument to which Lessor is a party or by which Lessor or its properties are bound or affected where the effect thereof would be materially and adversely to affect the ability of Lessor to perform its obligations hereunder;

18.1.4. this Lease and the other Operative Documents to which Lessor is a party have been duly executed and validly delivered by Lessor and constitute, assuming the due authorization, execution and delivery thereof by the other parties thereto, the legal, valid and binding obligation of Lessor enforceable against Lessor in accordance with the terms hereof and thereof; and

18.1.5. Lessor will not take any action that (i) interferes with Lessee's right of quiet enjoyment with respect to the Items of Equipment pursuant to Section 23.10 or (ii) would prevent Lessor, in connection with a conveyance pursuant to Section 10.1.2, 10.2.3, 10.3.3, 10.4.3, 10.5.2, 12.2.3 or 22.2.2, from complying with the requirements of the second parenthetical phrase of clause (ii) of the definition of Transfer Protocol.

## **ARTICLE 19.**

### **CERTAIN ADDITIONAL COVENANTS**

**SECTION 19.1. Information.** Upon written request of Lessor (except that a request will not be necessary if Lessee has a duty to disclose the information to Lessor pursuant to the other terms of this Lease), Lessee shall promptly furnish to Lessor such information within its knowledge or readily obtainable by it as may be required to enable Lessor timely to file any reports required by law to be filed by Lessor with any governmental authority in

connection with any of the transactions contemplated by this Lease and the other Operative Documents.

**SECTION 19.2. Opinion of Counsel.** If any recording, filing, rerecording or refiling of this Lease or any Lessee financing statement or other instrument to which Lessee is a party under the laws of any jurisdiction shall become necessary to be done by Lessee after the Delivery Date, Lessee will furnish Lessor with an opinion of legal counsel reasonably acceptable to Lessor to the effect that such recording, filing, rerecording or refiling has been made.

**SECTION 19.3. Form 1001.** So long as the current Income Tax Convention between Sweden and the United States is in effect, Lessor shall on the Delivery Date and on each third anniversary of the Delivery Date provide to Lessee an Ownership, Exemption or Reduced Rate Certificate on Form 1001 (or any successor form) issued by the United States Internal Revenue Service in the form thereof annexed as Exhibit E hereto. If the information on such Form 1001 shall change, Lessor shall so inform Lessee in writing within 60 days of such change.

**SECTION 19.4. No Amendment of Operative Documents.** Lessor agrees with Lessee that Lessor will not, without the prior written consent of Lessee, modify, amend, supplement, consent with respect to, or give any waiver under, the Loan Agreement, the Pledge Agreement or any other Operative Document to which Lessee is not a party.

## **ARTICLE 20.**

### **INDEMNIFICATION**

**SECTION 20.1. General Indemnity.** Whether or not any of the transactions contemplated hereby or consummated, Lessee hereby assumes liability for and agrees to defend, indemnify and hold harmless Lessor and its officers, directors, employees, servants, agents, representatives and affiliates (each an "Indemnified Person") from and against any and all claims, losses, liabilities, suits, judgments, damages, costs, fees, charges, expenses, penalties or fines of whatsoever kind and nature, including reasonable legal fees and expenses (collectively, "Losses") (regardless of when the same shall be made or incurred, whether prior to, during or after the termination of this Lease) which may result from or grow or arise in any manner out of or be attributable to (i) this Lease or any of the other Operative Documents including, without limitation, the transactions contemplated hereby and thereby or the enforcement of any of the terms hereof or thereof and (ii) the maintenance, management, control, leasing, financing, delivery, non-delivery, redelivery,

condition, ownership, use, operation, sale, return or other disposition of the Equipment, whether or not due to negligence or strict liability and whether or not the Equipment is at the time in the possession of Lessee, and whether or not such Losses arise out of or in connection with any defect or alleged defect in an Item of Equipment (and regardless of when such effect shall have been discovered) or out of the design, manufacture, testing or use thereof or out of any maintenance, service, repair or overhaul or for any other reason whatsoever (including, in each case and without limitation, latent or other defects, whether or not discoverable and any claim for patent, trademark or copyright infringement and all liabilities, obligations, losses, damages and claims in any way relating to or arising out of injury to Persons, properties or the environment or strict liability in tort or violations of any regulatory law or requirement) but excluding for purposes of this Article 20 any Tax described in Article 21. Any indemnity payment pursuant to this Article 20 shall be made on an After-Tax Basis net of any tax benefits relating to the Loss for which Lessor is being indemnified.

**SECTION 20.2. Subrogation.** To the extent that Lessee in fact indemnifies any Indemnified Person under this Article 20 for any Loss, Lessee shall be subrogated to such Indemnified Person's rights against third parties with respect to such Loss.

**SECTION 20.3. Notice.** If any claim is made against any Indemnified Person, such Indemnified Person shall, upon its receipt of written notice of such claim, give prompt written notice thereof to Lessee. No failure so to notify Lessee shall discharge, diminish or relieve Lessee from any indemnification obligation set forth in this Article 20, and no payment by Lessee to any Indemnified Person pursuant to this Article 20 shall be deemed to constitute a waiver or release of any right or remedy which Lessee may have against such Indemnified Person as a result of any failure by such Indemnified Person to give Lessee notice of such claim in the manner provided in the proceeding sentence; provided the Lessee shall have no such right or remedy unless such failure of such Indemnified Person to give notice of such claim was the primary cause of Lessee's inability to contest such claim.

**SECTION 20.4. Exceptions.** The indemnity in this Article 20 with regard to any particular Indemnified Person shall not extend to any Loss which (i) results from the breach by such Indemnified Person of any of its representations, warranties or covenants in this Lease or the other Operative Documents, unless such breach is the result of the failure of any other party to comply with its obligations under any Operative Document, (ii) results from the willful misconduct or gross negligence of such Indemnified Person, (iii) is attributable to the transactional costs of such Indemnified

Person incurred in consummating this transaction, (iv) so long as no Event of Default shall have occurred and be continuing, to the extent such Loss (1) results from any Disposition of the interest of Lessor in the Equipment (other than a transfer to Lessee or any successor or assign), (2) is attributable to acts or events not attributable to Lessee and which occur after the Equipment is no longer leased under the Lease and is returned to Lessor in accordance with the provisions of Section 11 of this Lease (provided that such Loss does not relate to acts or events arising or occurring prior to or coincident with such time) or (3) results from a Lien arising as a result of a claim for which such Indemnified Person is not indemnified hereunder, or (v) is to be borne by such Indemnified Person, or is not to be borne by the Lessee, pursuant to the express provisions of this Lease.

## **ARTICLE 21.**

### **TAX INDEMNITY**

**SECTION 21.1. Withholding Taxes.** Lessee agrees that each payment hereunder and each payment of Basic Rent and each other payment to be made by or on behalf of Lessee, as the case may be, to Lessor (which term shall, for purposes of this Article 21, include any Affiliate of Lessor and the successors, assigns, agents and servants of Lessor and its Affiliates, in their respective capacities) under any of the Operative Documents shall be free of all withholdings imposed by any jurisdiction other than the Kingdom of Sweden of any nature whatsoever, and if any such withholding is required, Lessee shall pay an additional amount on an After-Tax Basis, such that after the deduction of all amounts required to be withheld, the net amount of Basic Rent or such other payment actually received by Lessor will equal the amount of Basic Rent or any such other amount that would be due absent such withholding; **provided, however,** that if Lessor can claim exemption from any such withholding without any risk of an increase in its aggregate Taxes (such risk to be determined solely by Lessor) and if upon reasonable request by Lessee, Lessor fails to furnish the representations, forms, and other documentation necessary to claim exemption, then Lessee shall not be required to pay such additional amounts. If, pursuant to the preceding sentence, Lessee or any other Person has withheld any amount from any payment in respect of any withholding tax with respect to a Tax (as hereinafter defined) not indemnifiable by Lessee pursuant to this Article 21, Lessee shall notify Lessor of the amount of such withholding and provide to Lessor the original or a certified copy of a receipt or other documentation reasonably acceptable to Lessor evidencing payment of the withheld amount. Upon receipt by Lessor of the notice and receipt or other documentary evidence

of payment described in the preceding sentence, Lessor shall promptly repay to Lessee the amount withheld.

**SECTION 21.2. Indemnity.** Except as provided in Section 21.3 below, Lessee shall pay, and hereby indemnifies Lessor against, and agrees to protect, save and keep harmless Lessor, on an After-Tax Basis, from any and all fees (including, without limitation, license, filing, recording, documentation and registration fees), taxes (including, without limitation, tax in respect of added value and any franchise, transfer, sales, use, business, occupation, excise, personal property, real property, income, gross receipts or stamp tax), levies, imposts, duties or governmental charges, assessments or withholdings of any nature whatsoever, together with any and all penalties, fines, other additions to tax and interest thereon (collectively, "Taxes", and each, a "Tax") imposed upon or payable by Lessor, either directly or through an indemnity, by any taxing authority or political subdivision of or in the Kingdom of Sweden, the United States, or any other country or by any territory or possession of the United States or any other country or any international authority (hereinafter, a "Taxing Authority") (i) upon or with respect to the Equipment or any Item or part thereof or interest therein or the applicability of the Lease to the Equipment or any Item or part thereof or interest therein, (ii) upon or with respect to the purchase, manufacture, acceptance, rejection, ownership, delivery, nondelivery, removal, redelivery, transport, location, possession, registration, performance, transportation, management, sale, control, use or operation, design, condition, testing, assembly, insuring, financing, presence, repossession, return, abandonment, preparation, installation, storage, leasing, subleasing, maintenance, repair, service, modification, overhaul, replacement, alteration, rebuilding, importation, transfer of title, exportation or other application or disposition of the Equipment or any Item or part thereof or interest therein, (iii) upon or with respect to the rentals, receipts or earnings arising from the Equipment or any Item or part thereof or interest therein, (iv) upon or with respect to the Lease or any of the other Operative Documents or any payment made pursuant to any such Documents or (v) otherwise with respect to or in connection with the transactions contemplated by the Operative Documents.

**SECTION 21.3. Exclusions.** The following Taxes shall not be indemnifiable by Lessee pursuant to this Article 21 (however, such Taxes shall be taken into account in calculating the amount of a payment made on an After-Tax Basis):

- (1) Taxes imposed by the Kingdom of Sweden or any political subdivision or Taxing Authority of a political subdivision thereof ("Swedish Taxes");

- (2) Taxes imposed by the country in which Lessor's principal place of business is located or any political subdivision or Taxing Authority of a political subdivision of such country;
- (3) U.S. withholding taxes which would not have been imposed if (A)(i) Lessor were a "corporation" of Sweden and an "enterprise" of Sweden, and (ii) Lessor did not have and was not deemed to have a "permanent establishment" in the United States to which the profits in respect of the Operative Documents were allocable, as such terms are defined in the Income Tax Convention between Sweden and the U.S., as currently in effect, or if (B)(i) neither Lessor nor any other member of the ABB-Group, nor any consolidated or combined group of which Lessor or any other member of the ABB-Group is or may become a member, owned ten percent or more of the total combined voting power of all classes of stock of Lessee entitled to vote, and (ii) Lessor were a Finance Company; **provided**, that for purposes of this clause (3), there shall not be taken into account (x) any office or other place of business of the Lessee or any Affiliate thereof, (y) the execution and delivery of the Operative Documents, or (z) the performance of the Operative Documents in accordance with their terms;
- (4) U.S. federal income taxes which would not have been imposed if (i) the income or the earnings and profits from the transactions contemplated by the Operative Documents were not treated as "effectively connected with the conduct of a trade or business [of the Lessor] within the United States", within the meaning of sections 882 and 884 of the United States Internal Revenue Code of 1986, as currently in effect, and (ii) the Lessor did not have and was not deemed to have a "permanent establishment" in the United States in respect of the transactions contemplated by the Operative Documents, as such term is defined in clause (3) hereof **provided**, that (x) any office or other place of business of the Lessee or any Affiliate thereof, (y) the execution and delivery of the Operative Documents, and (z) the performance of the Operative Documents in accordance with their terms shall be disregarded in determining whether the Lessor is engaged in a trade or business within the United States or has a permanent establishment within the United States;
- (5) Taxes (other than U.S. withholding taxes, and U.S. federal income taxes) that would not have been

imposed had the only transactions entered into by the Lessor been the transactions contemplated by the Operative Documents; **provided, however,** that to the extent that such Taxes are greater than they otherwise would have been due to an Item of Equipment being moved to a jurisdiction other than the United States, the Lessor shall be indemnified for such incremental Taxes in accordance with Section 21.2.

- (6) Taxes imposed as a result of a sale, assignment, transfer or other disposition (whether voluntary or involuntary) by the Lessor pursuant to Article 13 of any interest in any Item of Equipment or of any interest arising out of this Lease, except for a sale, assignment, transfer or other disposition while a Default or Event of Default is continuing;
- (7) Taxes imposed by any Taxing Authority with respect to any period after the Equipment (or if it is imposed with respect to an Item, after such Item) is no longer leased under the Lease other than Taxes imposed in connection with any transaction or event that is contemplated by or pursuant to the Operative Documents, as defined herein or in the Loan Agreement;
- (8) Taxes imposed by any Taxing Authority which are being contested as provided in Section 21.4, but only for so long as such contest is continuing in accordance with Section 21.4 and payment is not otherwise required pursuant to this Article 21;
- (9) Taxes which result from the gross negligence or willful misconduct of Lessor; or
- (10) Taxes included in Lessor's Cost (Dollars).

**SECTION 21.4. Contest.** If a claim shall be made against Lessor for any Tax for which Lessee is obligated to indemnify Lessor pursuant to this Article 21, Lessor shall promptly notify Lessee in writing of such claim; **provided, however,** that the failure of the Lessor to give such notice shall not relieve the Lessee of its obligations hereunder unless such failure precludes Lessee from contesting such claim. If Lessee shall so request in writing within 30 days after receipt of such notice, such claim shall be contested. With respect to state and local taxes, Lessee shall have the option to assume responsibility for contesting the validity, applicability or amount of such Taxes in the name of Lessor or in the name of Lessee, if permissible under applicable law, but only if Lessor in good faith determines in its sole discretion that permitting Lessee to contest the claim will

not have a material adverse effect upon the ability of Lessor to contest Taxes not indemnified under Article 21, and with respect to other Taxes, Lessor has the option to permit Lessee to control the contest; otherwise, Lessor shall control such contest, and conduct it in good faith, at the expense, on an After-Tax Basis, of Lessee; **provided** that in the event of any such contest by Lessee on Lessor's behalf, Lessor shall cooperate with Lessee and shall, if so requested by Lessee, resist payment of such Taxes if lawful and practicable or by not paying the same except under protest, if protest is necessary and proper. If Lessor conducts the contest, Lessor may do so at its sole discretion, by (A) resisting payment thereof if practicable, (B) not paying the same except under protest, if protest is necessary and proper, or (C) paying the same and using reasonable efforts to obtain a refund thereof in appropriate administrative and/or judicial proceedings. If Lessor contests Taxes by making a payment thereof, Lessee shall make an interest-free advance to Lessor, on an After-Tax Basis, in the amount of such Taxes. Notwithstanding anything contained in this Article 21 to the contrary, Lessor will not be required to contest, or to continue to contest, or to assist in the contest of, the validity, applicability or amount of any Taxes (or portion thereof) (t) unless Lessor shall have received, if requested by Lessor, an opinion of independent tax counsel selected by Lessee and reasonably acceptable to Lessor, which opinion shall be furnished at Lessee's expense, on an After-Tax Basis, and to the effect that a reasonable basis exists for contesting such Tax, (u) if the amount of indemnity payments under this Article 21 would be less than \$50,000, taking into account future related adjustments, (v) if Lessor waives its right to indemnity hereunder with respect to such Taxes (or such portion thereof), (w) if Lessor is unable timely and properly to contest such Taxes because of the failure of Lessee to supply Lessor with information necessary to enable Lessor timely and properly to contest such Taxes, (x) unless Lessee shall have agreed in writing to indemnify Lessor for such Taxes and for any interest, penalties or additions to tax which ultimately may be payable as the result of contesting such Taxes and currently to pay Lessor on an After-Tax Basis for all reasonable out-of-pocket costs and expenses that Lessor may incur in connection with the contesting of such claim (including, without limitation, reasonable legal and accounting fees and disbursements), (y) unless such contest will not result in any material risk of criminal penalties or material danger of sale, forfeiture or loss of the Equipment or any Item or part thereof or interest therein or the creation of any Lien thereon other than Liens for Taxes either not yet due or being contested in good faith by appropriate proceedings so long as such proceedings do not involve any material risk of criminal penalties or material danger of sale, forfeiture or loss of the Equipment or any Item or part

thereof or interest therein and (z) no Default or Event of Default has occurred and is continuing.

If Lessee shall be the party contesting a Tax on behalf of Lessor, as provided herein, Lessor shall supply Lessee with such information requested by Lessee as is reasonably available to Lessor and necessary or advisable for Lessee to control or participate in any proceeding to the extent permitted by this Article 21, and Lessee shall keep Lessor reasonably informed of the progress of such contest. If Lessor shall be the party contesting a Tax that is indemnified hereunder by Lessee, Lessee shall supply Lessor with such information requested by Lessor as may be necessary or advisable to enable Lessor to contest such claim.

So long as Lessee is in full compliance with its obligations under this Article 21, Lessor shall not make, accept or enter into a settlement or other compromise with respect to any Taxes indemnified pursuant to this Article 21, or forego or terminate any proceeding with respect to Taxes indemnified pursuant to this Article 21, without the prior written consent of Lessee, which in giving or withholding such consent shall act in good faith. In the event Lessor effects a settlement or compromise of any contest, or otherwise terminates any such contest in violation of the preceding sentence, Lessor shall re-pay to Lessee any amount theretofore paid by Lessee pursuant to the fourth sentence of this Section 21.4 in respect of such claim.

Lessee shall have the right to participate in all proceedings relating to claims pursued by Lessor in its own name which are indemnifiable by Lessee; **provided** that such participation by Lessee does not materially interfere with Lessor's control of the contest (such material interference to be determined solely by Lessor). If Lessee shall request Lessor to discontinue any proceedings or concede claims for which Lessee is required to indemnify hereunder and with respect to which Lessee has (x) complied with all of its obligations hereunder as conditions to a contest and (y) tendered to Lessor all amounts called for under this Article 21 fully to indemnify Lessor in respect thereof, the Lessor shall do so; **provided, however**, that Lessor shall not be obligated to discontinue or concede a proceeding or claim if Lessor agrees that the liability of Lessee with respect thereto shall be determined as if such proceeding or claim had been discontinued and conceded at the time Lessee shall have so directed. If, in the course of contesting a claim for Taxes, Lessee believes in good faith that the appropriate Taxing Authority might compromise a proposed adjustment, Lessee shall advise Lessor of the terms of the settlement Lessee is then willing to make, and upon receipt of such notice Lessor will explore such settlement proposal with the relevant Taxing Authority. If a settlement proposal is

acceptable to both Lessee and the Taxing Authority, Lessor shall agree to the settlement proposal; **provided, however,** that Lessor shall not be obligated formally to propose or agree to a settlement if Lessor agrees that the amount of any Taxes in respect of such proposed claim shall not exceed the amount of such Taxes which would have been required if the settlement proposal had been made and accepted.

In all events and circumstances, Lessor and Lessee shall act in good faith in conducting any contest, or in filing any return or report or claim, and shall not discriminate against any claim which is indemnifiable hereunder in favor of any non-indemnified matter, whether or not related to the transactions contemplated by the Operative Documents.

**SECTION 21.5. Reverse Indemnity.** In the event the Lessee shall make an indemnity payment under this Article 21 and the Taxes so indemnified against are available as a credit against or otherwise reduce Taxes imposed by any Taxing Authority, or which would have been imposed, which are not Taxes indemnified against under this Article 21, then to the extent such items have not previously been taken into account in computing the amount of any payment pursuant to this sentence or the amount of indemnification payable under this Article 21, the Lessor shall pay to the Lessee the amount of such reduction or credit plus the amount of any Taxes saved by the Lessor as a result of such payment. The Lessor shall use its reasonable best efforts in filing tax returns and dealing with Taxing Authorities to claim any such tax benefit. If the Lessor shall have made a payment to the Lessee pursuant to this Section 21.5 (or shall have received a reduced payment in respect of any Taxes), and shall thereafter be denied the credit (or reduction), or shall be denied the right to use tax credits from unrelated transactions, such denials or reductions shall be treated as Taxes indemnifiable hereunder. In no event shall the amount that the Lessor is obligated to pay to the Lessee pursuant to this Section 21.5 exceed the amount of the indemnity payment received by the Lessor.

**SECTION 21.6. Computations.** All computations required to be made under this Article 21 shall be made in the first instance by Lessor, acting reasonably and in good faith and the results of such computation shall be delivered to Lessee in writing. At the request of Lessee, the accuracy of such computations shall be verified by the independent accountants that regularly audit the books of Lessor. Lessor agrees to cooperate fully with said accounting firm, and shall provide it with any material such firm believes is necessary in order to ensure the accuracy of the computations. Such accounting firm shall be requested to make its determination by the date on which the payment of any such amount must be made hereunder. The computations of the accounting firm,

selected as provided above, shall be final, binding and conclusive upon Lessee and Lessor. Lessee shall pay the costs of such verification. Lessee shall have no right to examine the books and records of Lessor or to examine or otherwise have access to its income tax returns.

**SECTION 21.7. Payments.** Lessee shall pay any amount for which it is liable pursuant to this Article 21 directly to the appropriate Taxing Authority if legally permissible or, upon demand of Lessor, to Lessor, but in no event later than the later of (i) 10 days after the date of such demand or (ii) two days before the date the Tax to which such amount payable hereunder relates is due or is to be paid, in immediately available funds. If Lessee shall pay any amount directly to the appropriate Taxing Authority, Lessee shall promptly furnish to Lessor the original or a certified copy of a receipt for Lessee's payment of such Tax or such other evidence of payment of such Tax as is reasonably acceptable to Lessor.

## **ARTICLE 22.**

### **SWEDISH TAX EVENT**

#### **SECTION 22.1. Swedish Tax Event.**

22.1.1. Lessor shall have the right to notify Lessee in writing of any Swedish Tax Event within a reasonable time after obtaining actual knowledge of such Swedish Tax Event.

22.1.2. If as the result of a Swedish Tax Event, Lessor or any consolidated or combined group of which Lessor is a member does not (as determined by Lessor in its sole discretion) realize (or, in the case of Swedish Tax Event consisting of a Challenge to Swedish Deductions of the type referred to in subclause (ii) of the definition thereof, would not realize if such Challenge were successful) the net tax benefits (determined on a present value basis using the same assumptions and methodology as originally used by Lessor, except for the Swedish Tax Event in question) that it would have realized if such Swedish Tax Event had not occurred, and if Lessor has given notice of such Swedish Tax Event under Section 22.1.1, then Lessee shall be obligated, at the election of Lessee specified in a written notice given to Lessor within 30 days after receipt by Lessee of the written notice from Lessor under Section 22.1.1, either (A) to terminate this Lease as hereinafter provided or (B) to indemnify Lessor as hereinafter provided. Each written notice from Lessor under Section 22.1.1 shall be accompanied by a statement prepared by Lessor setting forth its computation of the amount of the indemnity that would be payable under

Section 22.1.4 on the basis that such indemnity is paid on the 45th day from the date on which such notice is given by Lessor.

22.1.3. If Lessee elects to terminate this Lease as permitted by Section 22.1.2(A), then Lessee shall pay, or cause to be paid, to Lessor the amount specified in Section 22.2.1 in immediately available funds not later than forty-five (45) days after receipt by Lessee of the written notice from Lessor under Section 22.1.1.

22.1.4. If Lessee elects to indemnify Lessor as permitted by Section 22.1.2(B), then Lessee shall pay to Lessor the amount specified in Section 22.3.1 in immediately available funds not later than forty-five (45) days after receipt by Lessee of the written notice from Lessor under Section 22.1.1.

#### **SECTION 22.2. Termination.**

22.2.1. Upon a termination of this Lease pursuant to Section 22.1.3, Lessee shall pay, or cause to be paid, to Lessor the Termination Sum in effect as of the Effective Date of the applicable Swedish Tax Event together with interest thereon at the Corporate Rate from the Effective Date to but excluding the date specified for payment in Section 22.1.3, and all other amounts due hereunder or any other Operative Document.

22.2.2. Upon receipt of all amounts payable pursuant to Section 22.2.1, Lessor shall convey to Lessee, or whomsoever Lessee shall have designated in writing, all of its right, title and interest in and to the Items of Equipment, such conveyance to be in accordance with the Transfer Protocol and the obligation of Lessee to pay Basic Rent in respect of the Items of Equipment shall from the Payment Date immediately prior to the date of payment, be deemed abated and the leasing under this Lease of the Items of Equipment shall terminate.

#### **SECTION 22.3. Indemnification.**

22.3.1. The amount of any indemnity payable pursuant to Section 22.1.4 with respect to a Swedish Tax Event shall be the Increased Cost (as hereinafter defined) attributable to the Swedish Tax Event in question (or, in the case of a Swedish Tax Event consisting of a Challenge to Swedish Deductions of the type referred to in subclause (ii) of the definition thereof, the Increased Cost that would be so attributable if such Challenge were successful). For purposes of this Article 22, the term "Increased Cost" shall mean that amount which, on an After-Tax Basis, has a present value equal to the differences, in respect of each calendar year during the Term of the Lease, between Lessor's Projected

Tax Consequences and Lessor's Expected Tax Consequences. "Lessor's Projected Tax Consequences" means the Swedish tax consequences to Lessor (or any consolidated or combined group of which Lessor is a member) with respect to each calendar year during the Term of the Lease that Lessor projected when it entered into the transactions contemplated by the Operative Documents. "Lessor's Expected Tax Consequences" means the Swedish tax consequences to Lessor (or any consolidated or combined group of which Lessor is a member) that Lessor reasonably expects to realize with respect to each calendar year during the Term of the Lease as a result of the Swedish Tax Event.

22.3.2. All computations of the type described in Section 22.3.1 shall be subject to the verification procedures set forth in Article 21; **provided, however,** that (A) any request for verification shall be given by Lessee along with its written election pursuant to Section 22.1.2, (B) Lessee shall, if it elects to indemnify Lessor hereunder, pay to Lessor that portion of any indemnity amount which is not in dispute and (C) in no event shall the indemnity finally payable by Lessee (apart from interest thereon) exceed the greater of (y) the amount set forth by Lessor in its notice delivered pursuant to Section 22.3.1, or (z) the amount that would have been payable by Lessee pursuant to Section 22.1.3 in the case of an election by Lessee under Section 22.1.2(A).

22.3.3. Any indemnity under Section 22.1.4 (or that portion thereof which is not in dispute) shall be payable on the 30th day from the date on which Lessor gives to Lessee the notice set forth in Section 22.1.1.

**SECTION 22.4. Effective Date.** The "Effective Date" of any Swedish Tax Event resulting from an amendment to the Swedish tax statutes or regulations shall be the date as of which such amendment is effective as specified therein. The "Effective Date" of any other Swedish Tax Event shall be the date on which (y) the appropriate Swedish taxing authorities formally assert in a writing to Lessor or an Affiliate of Lessor that Lessor or such Affiliate (or any consolidated or combined group of which Lessor or such Affiliate is a member) may have a deficiency in its Swedish income tax payments which deficiency is attributable to the Swedish Tax Event in question or (z) Lessor delivers to Lessee an opinion of the type referred to in subclause (iii) of the definition of the term "Challenge to Swedish Deductions".

**SECTION 23.6. Counterparts.** This Lease may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall, subject to the legend contained on the covering page of this Lease, be an original for all purposes, but all such counterparts shall together constitute but one and the same instrument.

Severability.** If any term or provision of this Lease or the application thereof to any circumstance shall, in any jurisdiction and to any extent, be prohibited or unenforceable, such term or such provision shall be ineffective as to such jurisdiction to the extent of such prohibition or unenforceability without invalidating or rendering unenforceable the remaining terms and provisions of this Lease or the application of such term or provision to circumstances other than those as to which it is held prohibited or unenforceable in any jurisdiction shall not invalidate or render unenforceable such term or provision in any other jurisdiction.

**SECTION 23.8. Waivers; Remedies Cumulative.** No failure to exercise or enforce, and no delay in exercising or enforcing, on the part of Lessor and Lessee, any right, remedy, power or privilege hereunder and/or under any of the Operative Documents shall operate as a waiver thereof, nor shall any single or partial exercise or enforcement of any such right, remedy, power or privilege preclude any other or further exercise thereof, or the exercise of any other right, remedy, power or privilege whether hereunder, thereunder or otherwise. The rights, remedies, powers and privileges herein and therein provided are cumulative and not exclusive (except as expressly provided herein or in any other Operative Document) of any rights, remedies, powers and privileges provided by applicable law.

**SECTION 23.9. Complete Agreement.** This Lease together with the other Operative Documents and any letter agreements between Lessor and Lessee dated the date hereof constitutes the entire agreement between the parties hereto with respect to the transactions contemplated hereby and supersedes any prior agreements with respect to the subject matter hereof and thereof.

**SECTION 23.10. Quiet Enjoyment.** Notwithstanding anything in this Lease to the contrary, Lessor covenants that, unless a Default Termination Date shall have occurred and not been waived by Lessor, Lessee may and shall, as between Lessor and Lessee, peaceably and quietly have, hold, possess, use and enjoy the Equipment as provided in this Lease without suit, molestation or interruption by Lessor or by reason of Lessor's acts or exercise of remedies.

**SECTION 23.11. Costs.** Each party shall pay all costs and out-of-pocket expenses, including but not limited to legal fees and expenses, of the other party arising in connection with the enforcement and preservation by the other party of its rights under this Lease.

**SECTION 23.12. Rights Cumulative, etc.**

23.12.1 The rights of Lessor under this Lease are cumulative, may be exercised as often as it considers appropriate and are in addition to its rights under general law (except to the extent that recourse to rights under general law is expressly precluded by the Operative Documents). The rights of Lessor against Lessee or in relation to an Item of Equipment shall not, as against or in favor of Lessor, be capable of being waived or varied otherwise than by an express waiver or variation in writing; and in particular any failure to exercise or delay in exercising any such rights shall not operate as a waiver or variation of that or any other such right; and defective or partial exercise of any such right shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on its part or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

23.12.2 The rights of Lessee against Lessor or in relation to an Item of Equipment shall not, as against or in favor of Lessee, be capable of being waived or varied otherwise than by an expressed waiver or variation in writing; and in particular any failure to exercise or delay in exercising any such rights shall not operate as a waiver or variation of that or any other such right; and defective or partial exercise of any such right shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on its part or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

**SECTION 23.13. No Partnership.** Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between the Lessor and the Lessee.

**SECTION 23.14. Specific Performance.** The parties hereto agree that the failure of title to the Items of Equipment to vest in Lessee or its permitted assigns when provided for in this Lease cannot be compensated in damages and, therefore, will give rise to an action for specific performance.

**SECTION 24.2. Continuing Obligations.** Lessee, in addition to the requirements of Section 24.1 above, will from time to time do and perform in a timely manner any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, rerecord or redeposit whenever required) any and all further instruments required by law (including without limitation continuation statements) or reasonably requested by Lessor for the purpose of proper protection, to its satisfaction, of its respective interests in the Items of Equipment, or for the purpose of carrying out the intention of this Lease.

remain personal property to the maximum extent permitted by applicable law.

#### **ARTICLE 27.**

##### **FURTHER ASSURANCES**

Each of the parties hereto shall cause to be promptly and duly taken, executed, acknowledged and delivered all such further acts, documents and assurances as each such party from time to time may reasonably request in order to carry out more effectively the intent and purposes of this Lease, the other Operative Documents and the transactions contemplated hereby and thereby.

(h) all obligations under this Agreement are continuing obligations throughout the term of this Agreement;

(i) any right in this Agreement may be exercised at any time and from time to time;

(j) the headings of the Articles, Sections and subsections are for convenience and shall not affect the meaning of this Agreement; and

(k) time is of the essence in performing all obligations.

## **SECTION 2. CALL OPTION.**

2.1. Call Optiongrantor grants to Call Optionholder an irrevocable option to purchase all (but not less than all) of the Items of Equipment leased to the Lessee under the Lease, on the Call Option Date and on the additional terms set out in this Agreement.

2.2. The Call Option may be exercised to take effect on the Call Option Date; provided, however, that the Call Option shall expire on the Call Option Date. If any date set out as the Call Option Date is not a Banking Day, the Call Option Date shall be the immediately succeeding Banking Day.

2.3. If Call Optionholder wishes to exercise the Call Option, it shall give Call Optiongrantor (with a copy to any bank designated pursuant to Section 4.5.2 of the Lease) written notice thereof, in substantially the form of Exhibit A hereto (the "Call Option Notice"), not earlier than 90 days prior to the Call Option Date nor later than the Call Option Date. Notice of exercise of the Call Option, once given, shall be irrevocable.

2.4. Notwithstanding the foregoing, if the Lessor shall be required to but shall fail to give its notice to Lessee pursuant to Section 2.5 of the Lease, the Call Option may be exercised during the Extended Term, in the manner specified in Section 2.3 hereof, to take effect on a Call Option Date not later than the date which is thirty (30) days after such notice of Lessor is given.

### **SECTION 3. OPTION PRICE AND PAYMENTS.**

3.1. The Option Price is (i) 60% of the Lessor's Cost (Sterling) of all Items of Equipment to be purchased pursuant to this Agreement (as adjusted pursuant to the proviso below) plus (ii) interest, if any, on the amount specified in clause (i) above (as so adjusted) accrued from the immediately preceding Payment Date to the Call Option Date at the rate of 12.5% per annum; provided, however, that the Option Price shall be adjusted by applying (on the date paid) any amount of Basic Rent paid subsequent to the Basic Lease Termination Date first to the amount payable pursuant to clause (ii) above and second to the amount payable pursuant to clause (i) above. The Option Price shall be payable in Sterling or by assuming, pursuant to the terms of the Loan Agreement, all the obligations of Call Optiongrantor as Borrower under the Loan Agreement (except as may be otherwise contemplated by the Loan Agreement and subject to the limitations on recourse set forth in Clause 4.2 thereof).

3.2. All payments to be made by or on behalf of Call Optionholder under this Agreement shall be made in full, without any set-off or counterclaim whatsoever, for value on the Call Option Date.

3.3. All payments to be made to the Call Optiongrantor under this Agreement shall be paid as directed in writing by Call Optiongrantor.

3.4. Call Optionholder shall pay to Call Optiongrantor on demand all reasonable expenses (including legal and similar charges, but excluding Taxes (the payment of which is covered exclusively by Section 21 of the Lease), if any) incurred by Call Optiongrantor in connection with the exercise of the Call Option. All such expenses shall be payable in Dollars.

#### **SECTION 4. DELIVERY OF THE EQUIPMENT.**

4.1. On the Call Option Date, the Items of Equipment purchased shall at Call Optionholder's risk and expense be delivered by Call Optiongrantor to Call Optionholder at such location as the Call Optionholder and the Call Optiongrantor shall agree to in writing. In the absence of such agreement, delivery shall take place at the location(s) at which the Items of Equipment purchased are situated on the Call Option Date.

4.2. Upon payment by or on behalf of Call Optionholder to Call Optiongrantor of the Option Price, together with any expenses payable pursuant to Section 3.4, on the Call Option Date, all of Call Optiongrantor's right, title and interest in and to the purchased Items of Equipment and in and to the Purchase Documents Assignment to the extent related thereto shall automatically and without further act vest in Call Optionholder or its permitted assigns, to the extent such rights are in their nature assignable, and the Equipment shall be released to Call Optionholder in accordance with the Transfer Protocol; **provided** that such vesting in Call Optionholder of all Call Optiongrantor's right, title and interest as aforesaid shall not be deemed to impose on Call Optiongrantor an obligation to deliver to Call Optionholder possession of the Items of Equipment purchased if such Items of Equipment shall not be in the possession of Call Optiongrantor on such date or be deemed to release Lessee from any obligations under the Lease.

4.3. Call Optiongrantor shall at the time its right, title and interest pass to Call Optionholder as set forth in Section 4.2, (i) deliver to Call Optionholder such other documents of transfer of title as the Call Optionholder may reasonably request and in a form which may be filed with the I.C.C. and (ii) use its best efforts to assist Call

Optionholder to obtain any further consent or waiver that may be required from any third party in order to make the aforementioned transfer fully effective in accordance with the terms of this Agreement.

4.4. The parties hereto agree that the failure of title to the Items of Equipment to vest in Call Optionholder or its permitted assigns when provided for herein cannot be compensated in damages and, therefore, will give rise to an action for specific performance.

#### **SECTION 5. NOTICES.**

Unless otherwise specifically provided herein, all notices, requests, demands or other communications required or permitted under the terms and provisions hereof shall be in writing and any such notice, request, demand or other communication shall become effective in accordance with Section 23.2 of the Lease.

#### **SECTION 6. ASSIGNABILITY.**

This Agreement shall be binding upon and inure to the benefit of Call Optiongrantor and Call Optionholder. Call Optiongrantor may assign its respective rights and transfer its respective obligations hereunder (i) to Lender pursuant to the Pledge Agreement dated as of December 12, 1989 between Call Optiongrantor and Lender and (ii) in connection with a Disposition pursuant to Section 13.1 of the Lease to the same transferee to which the Disposition is made, but otherwise only with the prior written consent of Call Optionholder. The interest of Call Optiongrantor under this Agreement may be assigned or transferred only by the recording of the name of the assignee or transferee in a document maintained by the Call Optionholder for that purpose. Call Optionholder hereby agrees to maintain such a document for such purpose and to record any assignment or transfer permitted by this Section 6. Call Optionholder may not without the prior written consent of Call Optiongrantor assign or transfer any of its rights or obligations hereunder to a third party; provided that Call Optionholder may, with prior written notice to Call Optiongrantor, assign its rights hereunder to any Person to which the rights of Lessee under the Lease are assigned in accordance with Section 13.3 of the Lease, and nothing in this Agreement shall be construed to affect any agreements (with respect to further assignment or otherwise) made between Call Optionholder and any assignee of Call Optionholder's rights hereunder with respect to such assigned rights.

## **SECTION 7. MISCELLANEOUS.**

7.1. Late Payments. Call Optionholder shall pay interest on any amount of the Option Price and on any other amounts payable by it under this Agreement not paid when due from and after the due date to and including the date paid at the Overdue Rate. All amounts of interest shall be payable in the currency in which the underlying obligation is payable.

7.2. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

7.3. Amendments. The provisions of this Agreement may be modified or amended only by an instrument or instruments in writing signed by each of the parties hereto.

7.4. Currency. This is an international transaction in which the specification of the currency of payments is of the essence. No payments or advances required to be made under this Agreement shall be discharged by payments or advances in any currency other than the designated currency of such payments or advances, whether pursuant to a judgment or otherwise, to the extent that the amount so paid or advanced on prompt conversion to the designated currency (as quoted in London) does not yield the amount of the designated currency to be paid or advanced hereunder. In the event that any payment or advance made by a party hereunder, whether pursuant to a judgment or otherwise, does not, when converted, result in the correct amount of the designated currency required to be paid or advanced hereunder, the other party shall have a separate cause of action for the amount of any such shortfall.

7.5. Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, and all of which shall constitute one and the same instrument.

7.6. Costs. Subject to Section 3.4, each party shall pay all costs and out-of-pocket expenses, including but not limited to legal fees of the other party arising in connection with the enforcement and preservation by the other party of its rights under this Agreement. All such costs and expenses shall be payable in the currency in which incurred.

7.7. Language of Documents. All documents or notices to be delivered pursuant to, or in connection with,

this Agreement shall be in the English language. If any such document or notice is not in the English language, it shall be accompanied by a certified English translation thereof that shall control.

7.8. Complete Agreement. This Agreement, together with the other Operative Documents, constitutes the entire agreement between the parties hereto with respect to the transactions contemplated hereby and supersedes any prior agreements with respect thereto.

7.9. Waivers; Remedies Cumulative. No failure to exercise or enforce and no delay in exercising or enforcing, on the part of Call Optiongrantor or Call Optionholder or either of them, any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise or enforcement of any such right, remedy, power or privilege preclude any further exercise thereof, or the exercise of any other right, remedy, power or privilege hereunder or otherwise. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by applicable law.

#### **SECTION 8. GOVERNING LAW AND ARBITRATION.**

This Agreement shall be governed by and construed in all respects in accordance with the laws of the Kingdom of Sweden. Any dispute arising in connection with this Agreement shall be finally settled in accordance with the Arbitration Procedure.

INTENDING TO BE LEGALLY BOUND, the parties hereto have caused this Call Option Agreement to be duly executed as of the date first written above.
